

United States Of America
Department of Transportation - Federal Aviation Administration
Supplemental Type Certificate

Number SA2301WE

This Certificate issued to DeVore Aviation Corporation of America,
a New Mexico Corporation
6104-B Jefferson, N.E.
Albuquerque, NM 87109-3410

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 4b/dated December 31, 1953 of the Civil Air Regulations and Amendments 4b-1, 4b2 and Special Conditions and provisions. (See T.C. Data Sheet No. 4A22).

Original Product Type Certificate Number : 4A22
Make : Lockheed
Model : 188A, 188C

Description of Type Design Change:

Installation of emblem light per FAA Sealed DeVore Aviation Service Corp. Top Drawing 18800001

Limitations and Conditions:

The approval of this change in type design applies basically to Lockheed Models 188A and 188C Aircraft only. This approval should not be extended to other aircraft of these models on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that aircraft.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : September 02, 1970

Date reissued : 11/8/74; 1/31/00

Date of issuance : January 08, 1971

Date amended :

By direction of the Administrator
