

United States Of America
Department of Transportation - Federal Aviation Administration
Supplemental Type Certificate

Number SA2366WE

This Certificate issued to DeVore Aviation Corporation of America,
a New Mexico Corporation
6104-B Jefferson, N.E.
Albuquerque, NM 87109-3410

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 3 of the Civil Air Regulations, dated 15 May 1956 and Amendments 3-1 to 3-8 inclusive.

Original Product Type Certificate Number : A9EA
Make : deHavilland Aircraft of Canada, Limited
Model : DHC-6

Description of Type Design Change:

Installation of emblem lights at mid span of the horizontal stabilizer in accordance with FAA Sealed DeVore Aviation Service Corp. Drawing No. 00600001.

Limitations and Conditions:

The approval of this change in type design applies basically to the deHavilland Model DHC-6 aircraft only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that aircraft.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : March 12, 1971

Date reissued : 11/8/74; 1/31/00

Date of issuance : July 02, 1971

Date amended :

By direction of the Administrator
