

United States Of America
Department of Transportation - Federal Aviation Administration
Supplemental Type Certificate

Number SA2594WE

This Certificate issued to DeVore Aviation Corporation of America,
a New Mexico Corporation
6104-B Jefferson, N.E.
Albuquerque, NM 87109-3410

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 4b of the Civil Air Regulations (See T.C. Data Sheet 4A26).

Original Product Type Certificate Number : 4A26
Make : Boeing
Model : 707-300B and -300C Series Airplanes

Description of Type Design Change:

Modify 707-300B and -300C Series airplanes by the installation of wing tip mounted emblem light in accordance with FAA sealed DeVore Drawing 70700501.

Limitations and Conditions:

This approval should not be extended to airplanes of these models on which other previously approved modifications are incorporated unless it is determined by the modifier that the interrelationship between this change and any other previously approved modifications will introduce no adverse effect upon the airworthiness of the above listed aircraft.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : September 14, 1972

Date reissued : 11/8/74; 1/31/00

Date of issuance : September 15, 1972

Date amended :

By direction of the Administrator
