Supplemental Type Certificate

Number SA2722WE

This Certificate issued to DeVore Aviation Corporation of America,
a New Mexico Corporation
6104-B Jefferson, N.E.
Albuquerque, NM 87109-3410

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 4b of the Civil Air Regulations.

Original Product Type Certificate Number : A5EU
Make : British Aircraft Corporation
Model : BAC 1-11-200 and -400 Series

Description of Type Design Change:

Modify BAC 1-11 aircraft by the installation of wing mounted emblem lights in accordance with FAA sealed DeVore Drawing 11100001.

Limitations and Conditions:

The approval of this change in type design applies basically to BAC 1-11-200 and -400 Series only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that aircraft. This determination should include consideration of significant changes in weight distribution such as an increase in the fixed disposable weight in the fuselage.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
