Supplemental Type Certificate

Number SA2845WE

This Certificate issued to DeVore Aviation Corporation of America,
a New Mexico Corporation
6104-B Jefferson, N.E.
Albuquerque, NM 87109-3410

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations (See T. C. Data Sheet A20WE).

Original Product Type Certificate Number : A20WE

Make : Boeing

Model : 747-100, -200B, -200C and -200F

Description of Type Design Change:

Installation of logo light assembly in accordance with FAA sealed DeVore Drawing List No. 74700001.

Limitations and Conditions:

The approval of this change in the type design applies basically to the Boeing 747-100, -200B, -200C and -200F airplanes only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that aircraft. This determination should include consideration of significant changes in weight distribution such as an increase in the fixed disposable weight in the fuselage.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
