

United States Of America
Department of Transportation - Federal Aviation Administration
Supplemental Type Certificate

Number SA3124WE

This Certificate issued to DeVore Aviation Corporation of America,
a New Mexico Corporation
6104-B Jefferson, N.E.
Albuquerque, NM 87109-3410

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 3 of the Civil Air Regulations, plus the additional requirements listed on page 3 of continuation sheet.

Original Product Type Certificate Number : 3A20

Make : Beech

Model : C90 and E90

Description of Type Design Change:

Installation of recognition light assembly on the horizontal stabilizer in accordance with FAA sealed De Vore Aviation Top Drawing No. 06500002 Change B, or later FAA approved revision.

Limitations and Conditions:

This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of the aircraft. This determination should include consideration of significant changes in weight distribution such as increase in fixed disposable weight in the fuselage.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : June 13, 1975

Date reissued : 1/31/00; 5/5/00

Date of issuance : December 08, 1975

Date amended :

By direction of the Administrator
