Albuquerque, NM 87109-3410

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 23 of the Federal Aviation Regulations.

Original Product Type Certificate Number : A28CE
Make : Cessna
Model : 441

Description of Type Design Change:

Installation of Tail Flood Light on horizontal stabilizer per FAA sealed DeVore top drawing 44100001, Revision "A", dated 9/29/77, or later FAA approved revision.

Limitations and Conditions:

The approval of this change in type design applies to the Cessna 441 model only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that aircraft.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
