*certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 23\* of the Federal Aviation Regulations. \*Certification basis is set forth in Type Certificate Data Sheet A23CE.*

*Original Product Type Certificate Number :* A23CE

*Make :* Beech

*Model :* 58P, 58PA, 58TC, 58TCA

*Description of Type Design Change:*

Installation of tail flood lights on horizontal stabilizer in accordance with DeVore Top Drawing 05500001, Revision E, dated September 1, 1977, or later FAA approved revisions.

*Limitations and Conditions:*

The approval of this change in type design applies to the Beech 58 aircraft only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that aircraft. This determination should include consideration of significant change in weight distribution such as an increase in the fixed disposable weight of the fuselage.
