

United States Of America
Department of Transportation - Federal Aviation Administration
Supplemental Type Certificate

Number SA3816WE

This Certificate issued to DeVore Aviation Corporation of America,
a New Mexico Corporation
6104-B Jefferson, N.E.
Albuquerque, NM 87109-3410

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 3 of the Civil Air Regulations.

Original Product Type Certificate Number : A9EA
Make : De Havilland
Model : DHC-6

Description of Type Design Change:

Installation of Underseat Baggage Restraint Bar in accordance with DeVore Drawing 00625001, Revision A, or Drawing 00625100, N/C, as applicable or later FAA approved revisions.

Limitations and Conditions:

A copy of this STC must be included in the permanent records of each airplane modified in accordance with this STC. This approval of this change in type design applies to the basic DHC-6 model aircraft only. This approval should not be extended to other aircraft of these models on which other modifications are incorporated unless it is determined that the interrelationship between this change and any previously approved modification will introduce no adverse effect on the airworthiness of these aircraft.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : November 21, 1978

Date reissued : January 31, 2000

Date of issuance : January 05, 1979

Date amended : March 2, 1979

By direction of the Administrator
