Albuquerque, NM 87109-3410

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 23 of the Federal Aviation Regulations.

Original Product Type Certificate Number : A21EU
Make : Handley Page
Model : HP 137

Description of Type Design Change:

Installation of underseat baggage restraint bars in accordance with DeVore Drawing Number 13725000, N/C, dated March 13, 1979 or later FAA approved revisions.

Limitations and Conditions:

The approval of this change in type design applies basically to Model HP 137 only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that aircraft.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
